Yingfeng Construction Machinery Limited
www.ynfmachinery.com

YINGFENG CONSTRUCTION MACHINERY LIMITED established in 1988. Our factory has more 30 years old history. We are a professional manufacturer of construction machinery rubber parts and iron parts.

We are

- having owned factory in southern China. Lower production cost!
- Thousands of product lines,varies quality levels. More Choices!
- More than 16 agents all over China. Plan to expand business over the world.Agent wanted!
- More than years of manufacture experience. Professional!
- Provide customer with OEM service & various product quality levels. Help you easily sell!
- Office and showroom in Guangzhou. Good logistics service!

Company Overview

Yingfeng Construction Machinery Limit is a company having both trading company and owned factory .Office and showroom are located in Guangzhou. We produce and sell various excavator parts.such as coupling,Oil Seal,Hydraulic Parts. Excavator Rubber Part Excavator Electric Parts,Excavator Wearing Parts, Engine Parts, Excavator Filters,Excavator Gears,Bearings Excavator A/C Parts,Excavator Undercarriage Parts and some air compressor couplings.

The parts we supply can be used on brand excavators: Komatsu,Hitachi, Sumitomo, Hyundai, Caterpillar, Case, Liebherr, Kobelco, Kato, Sany, Lonking, Sunward,Liugong, Samsung, Daewoo, Doosan, Volvo,Cummins Isuzu, Yanmar,Kawasaki and Mitsubishi etc
